Vishnu Chemicals Visit

Head of Vishnu Chemicals on 23rd Nov'24 visited SDI to explore potential avenues for industry-education collaboration. During the visit, he toured the training facilities and observed the ongoing skill development programs.

The discussions focused on the importance of industry partnerships in shaping a skilled workforce. Both parties reaffirmed their commitment to working together to bridge the skills gap and provide relevant training that meets the needs of the industry. This visit underscores the shared goal of enhancing workforce capabilities and aligning training with real-world demands.

Visit of Shri Raghu Raju, HR-Head of Brandix

On 23rd Oct, 2024, Shri Raghu Raju, HR-Head of Brandix, during his visit to SDI explored Institute's training programs and facilities. During the visit, discussions focused on potential collaborations to enhance skill development initiatives and align them with industry needs, ensuring the creation of a skilled workforce.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Both SDI and Brandix recognized the importance of industry-academia partnerships in bridging the skills gap and expressed interest in exploring opportunities for internships and placements. This visit marks the beginning of a promising collaboration aimed at strengthening skill development efforts and meeting the demands of the industry.

Visit of Shri Appalanaidu, New DDTO of APSRTC

Shri Appalanaidu, the newly appointed Deputy Director of Transport Operations (DDTO) at APSRTC on 25th Oct'24 visited SDI to familiarize himself with the institute's operations and the skill development programs it offers. During the visit, Shri Appalanaidu gained valuable insights about the various training initiatives at SDI.

ArdorComm Media Officials Visit

On 07th Nov, 24, officials from ArdorComm Media visited SDI to discuss potential collaborations and explore ways to strengthen ties between the media industry and the institute. The visit provided an invaluable opportunity to discuss enhancing SDI's initiatives and fostering future industry partnerships.

SDI is grateful to the ArdorComm Media team for their time and insights, and looks forward to future opportunities to collaborate. This visit represents a crucial step in SDI's efforts to forge stronger industry connections and offer students greater exposure to the professional world.

Schneider Electric Officials Visit

Mr. Manohar from Schneider Electric visited SDI on 20th Dec'24 focused on exploring opportunities for collaboration to enhance the institute's programs and better align them with industry needs. He engaged with faculty and staff to discuss bridging the gap between academic learning and industry requirements. The discussions emphasized the importance of preparing students with relevant skills to meet the demands of the evolving job market.

This visit strengthens the partnership between Skill Development Institute and Schneider Electric, opening doors for future collaborations aimed at developing talent and promoting sustainability in the workforce.

Meets

Entrepreneur Meet at Skill Development Institute

Skill Development Institute hosted an Entrepreneur Meet on 09th Nov'24 offering a platform for entrepreneurs to connect, collaborate, and exchange business insights. The event saw the participation of approximately 15 entrepreneurs who engaged in meaningful discussions on business development, growth opportunities, and the challenges faced in the entrepreneurial landscape.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

This meet provided an excellent opportunity for networking, sharing experiences, and exploring new ideas. It reflects the Institute's commitment to nurturing entrepreneurship and supporting local business initiatives, further strengthening its role in fostering a dynamic entrepreneurial ecosystem.

HR Leadership Program at Skill Development Institute

SDI has successfully conducted HR Leadership Program on 08th Nov'24. The Program aimed at empowering HR professionals with advanced leadership skills. The program saw the participation of approximately 50 members from a diverse range of organizations.

The session provided valuable insights into contemporary HR practices, leadership strategies, and effective team management in today's dynamic work environment. It also facilitated networking and knowledge-sharing among HR professionals across various industries. This initiative highlights the Institute's commitment to developing HR leadership capabilities and fostering a network of professionals equipped to lead and drive organizational success.

Industry Interaction Session for Food & Beverage Students at SDI

SDI organized an enriching industry interaction session for its Food & Beverage student on 04th Nov'24, in collaboration with Hotel Budhil Park and Hotel Daspalla. This session allowed students to gain valuable insights from renowned hospitality experts.

Representatives from both hotels shared practical knowledge on key industry topics such as menu planning, customer service, and emerging trends in food and beverage management. The event provided students with a deeper understanding of the industry's demands and equipped them with the essential skills to excel in their future careers.

Meeting with Training and Centre Heads by SDI Management

On 04th Dec'24, SDI hosted a crucial meeting with Training Heads and Centre Heads to discuss strategies for enhancing training programs. The session aimed to align course content with current industry demands, improve teaching methodologies, and share best practices to ensure better outcomes for participants.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

This meeting reflects the institute's commitment to continuous improvement, ensuring that both trainers and students benefit from industry-relevant, up-to-date training. Through such initiatives, SDI aims to strengthen its programs and better equip students for the ever-evolving job market.

Visit to Gayatri Degree College

A session was conducted at Gayatri Degree College on 28th Oct'24 to raise awareness about SDI and to provide a detailed briefing on the skill development programs available at SDI.

The primary goal of the visit was to inform students about the opportunities at SDI that can enhance their skills and improve their employability. The session emphasized how SDI's programs are aligned with industry needs and the career opportunities they can unlock, motivating students to consider these programs for their future growth.

AWARDS

Grow Care India CSR Excellence Award 2023

We are proud to announce that SDI has been recognized with the **Grow Care India CSR Excellence Award 2023** for our "**Skill Training and Development**" project. This prestigious award, presented in November 2024, highlights our continued dedication to creating impactful social change through education and skill-building initiatives.

Our "Skill Training and Development" program has successfully empowered individuals by equipping them with the skills necessary to excel in today's competitive job market. This recognition is a testament to the hard work, commitment, and collaboration of everyone who has contributed to this transformative project.

Wellbeing / Counselling Sessions for students

Digital Detox & Mental Health

SDI hosted an enlightening session led by psychologist Dr. K. Ravikanth on 03rd Oct'24, focusing on the critical topic of "Digital Detox & Mental Health." With over 150 participants in attendance, the session delved into the growing impact of technology on our mental well-being and provided actionable strategies to counter its effects.

SKILL DEVELOPMENT INSTITUTE VISAKHAPATNAM

Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Dr. Ravikanth emphasized the importance of reducing screen time to combat anxiety, enhance sleep quality, and nurture more meaningful relationships. He encouraged participants to take regular breaks from digital devices, creating space for mindfulness and creativity to thrive. This session served as a timely reminder of the need for balance in our digital consumption, urging everyone to prioritize mental well-being in an increasingly connected world.

Demo Session on IT Courses for Internship

On 16th Nov, '24, Skill Development Institute hosted a successful demo session on IT courses and internships for 25 students from Sanketika Vidya Polytechnic College. The session provided an overview of various IT courses offered by the Institute, along with insights into internship opportunities that complement these courses.

The goal of the session was to help students understand the skills required in the industry and how they can enhance their employability through relevant training and internships. This initiative underscores the Institute's commitment to bridging the gap between education and industry, supporting students' professional growth and preparing them for success in the IT sector.

Interactive Session with TRIO Labs for SDI Students

An interactive session with TRIO Labs was organised on 06th Nov'24, offering students valuable insights into industry trends, innovations, and skills needed for career success. Representatives from TRIO Labs shared their expertise on applying emerging technologies and addressing industry challenges. This session highlighted the importance of practical knowledge and industry exposure, reinforcing SDI's commitment to preparing students for the dynamic job market.

Safety and Well-being of Girl Trainees of SDI

SDI Management hosted a session with 150 girl trainees on 16th Dec'24 to discuss their safety, security, and overall well-being. The session was designed to reinforce the institute's commitment to providing a safe and supportive learning environment for all trainees.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

During the session, management emphasized the importance of safety protocols, encouraged open communication, and highlighted various initiatives aimed at promoting the emotional and mental well-being of the trainees. This initiative further strengthened the institute's dedication to creating a nurturing space where every student can thrive both personally and professionally.

STUDENTS INDUSTRIAL VISITS / OJT

Industrial Visit to Brandix

Approx. 85 students of SDI participated in an enriching industrial visit to Brandix on 16th Nov'24. The tour aimed to provide students with a practical understanding of the industry and its operations. During the visit, students explored various departments, gaining insights into the cutting-edge processes and technologies that contribute to Brandix's success. The hands-on experience allowed them to better appreciate the practical applications of their academic studies and how they align with real-world business practices.

**SKILL DEVELOPMENT INSTITUTE

CPR Training to GDA students at Omni RK Hospitals

This quarter, SDI collaborated with Omni RK Hospitals to provide CPR and emergency response training to our 35 students of General Duty Assistant. The session on 06th Dec'24, led by expert trainers from Omni RK Hospitals, focused on life-saving techniques, including CPR and basic first aid.

The hands-on training allowed students to practice essential skills in real-life scenarios, ensuring they are well-prepared to respond confidently in emergencies. This valuable experience will not only enhance their professional capabilities but also contribute to their ability to save lives when needed.

Certification Workshop at Cruise Culinary Academy

Skill Development Institute organized a certification workshop in collaboration with Cruise Culinary Academy. The workshop offered our students a unique opportunity to enhance their culinary skills under the guidance of expert chefs.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Students were trained in advanced cooking techniques, food presentation, and international cuisine, with a focus on industry standards. At the end of the workshop, participants received a certification, boosting their qualifications for a future in the culinary arts.

Social Media Report

As we continue to grow our presence online, the impact of our social media efforts at SDI has been remarkable. This quarter, our social media platforms have seen significant engagement, allowing us to reach and connect with a wider audience, from learners to industry professionals.

Our social media pages, including Facebook, Instagram, Twitter and LinkedIn have been key in promoting various events, sharing success stories, and highlighting the achievements of our students and staff, numerically presented below:

	No. of Posts	No. of Followers	Likes
Facebook	70	142	1574
Instagram	68	929	18965

MOU with Placement Park

Skill Development Institute signed a Memorandum of Understanding (MoU) with Placement Park on 25th Oct'24 to enhance placement opportunities for SDI students. This partnership will facilitate placement drives, internships, and job opportunities, connecting students with a variety of companies across multiple industries.

The collaboration aims to bridge the gap between education and employment, ensuring that students are well-prepared for the job market.

HPCL-VR REFRESHER TRAININGS

HP Lube Buddy Program

The HP Lube Buddy program was successfully conducted on 08th & 09th Oct '24, at SDI, Visakhapatnam, with the participation of around 35 individuals. The program focused on enhancing technical knowledge in lubrication technologies, covering their crucial role in automotive and industrial applications.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Participants engaged in expert-led discussions and practical sessions, gaining insights into best practices for using lubricants to improve operational efficiency and product quality. This initiative provided valuable learning opportunities for attendees to advance their skills and apply them to optimize performance in their respective fields.

Training Program for HPCL Racer Station Mechanics:

A Step Towards a Sustainable Future

SDI in collaboration with Lubes SBU on 19th & 20th Oct'24 conducted a specialized training program for 30 HPCL Racer Station Mechanics. The program aimed at enhancing the technical skills of participants and addressing critical topics in the evolving automotive sector.

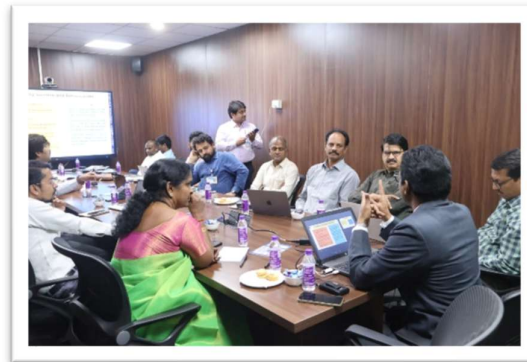

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Sessions included a focus on BS6 technology and emission control, ABS systems for vehicle safety, and the differences between IC engines and electric vehicles. Participants also received practical guidance on troubleshooting BS6 vehicles and were introduced to workshop entrepreneurship to equip them with essential skills for managing automotive workshops. This training program played a key role in upskilling the workforce, supporting the automotive industry's transition to sustainability and ensuring that mechanics are prepared for future challenges.

Labour Law Compliance Audit Training for HPCL Officers

Labour Law Compliance Audit Training program was conducted by SDI from 25th to 29th Nov '24, for 12 officers of HPCL.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

The training focused on equipping participants with comprehensive knowledge of labour laws and compliance audit practices. The goal was to enhance their skills in ensuring legal compliance within organization. This initiative underscores the Institute's commitment to providing specialized training that addresses the evolving needs of professionals, particularly in the areas of legal and regulatory compliance.

2-Day HPCL Fire & Safety Refresher Training

A successful 2-Day Fire & Safety Refresher Training was conducted for employees of the Fire & Safety Department at HPCL-Visakh Refinery. The first batch took place on 05th & 06th Dec'24, followed by the second batch on 17th & 18th Dec'24.

The training sessions were designed to strengthen the participants' understanding of fire safety protocols, emergency response procedures, and the latest safety standards. This initiative is part of the ongoing efforts to enhance safety measures and ensure preparedness for any emergency situations at refinery.

HPCL FCHCU & VRMP Utilities Refresher Training Program

Skill Development Institute successfully conducted 3-Day Refresher Training for HPCL FCHCU & VRMP employees in two batches viz. 09th to 11th Dec'24 and 19th to 21st Dec'24. This program was tailored to refresh and update the knowledge and skills of HPCL employees working in FCHCU and VRMP utilities.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Focusing on operational efficiency, safety protocols, and troubleshooting techniques, the training ensured participants were well-versed in the latest industry standards and best practices. This initiative underscores SDI's commitment to continuous professional development and enhancing the performance of employees in key operational areas.

3-Day Supervisory Development Program for HSL Employees

3-day Supervisory Development Program was successfully conducted for 60 employees of Hindustan Shipyard Limited (HSL) in 2 batches viz. 11th Nov to 13th Nov '24 & 09th Dec to 11th Dec '24. The program focused on enhancing supervisory and leadership skills, covering areas such as effective communication, decision-making, leadership techniques, and team management.

The interactive sessions provided participants with practical tools to improve their capabilities, preparing them to take on greater responsibilities and contribute to HSL's continued success. The positive feedback from participants reflects the program's impact, reinforcing HSL's commitment to fostering professional growth and continuous learning within the organization.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Project Management Program for HPCL Officers

Skill Development Institute successfully conducted a five-day Project Management Program from 18th Nov to 22nd Nov '24 for officers of Hindustan Petroleum Corporation Limited. The program focused on enhancing project management skills, with an emphasis on managing complex projects in the energy sector.

Through workshops, case studies, and discussions, participants gained insights into key areas like risk management, resource allocation, and leadership strategies. This initiative highlights the Institute's commitment to providing customized training that addresses the specific needs of organizations and promotes the professional development of their employees.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating

Lean Six Sigma Green Belt Certification Program

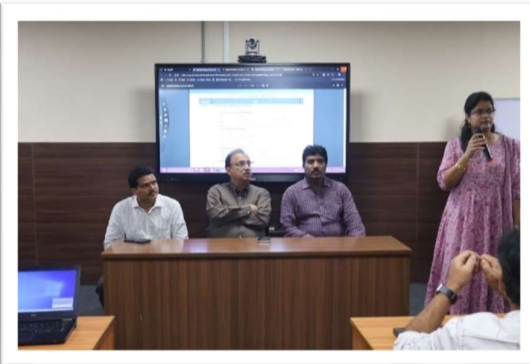

5-Day Lean Six Sigma Green Belt Certifications program was conducted from 25th Nov to 29th Nov '24 for various organizations including officers from HPCL and BPCL. This five-day training focused on empowering professionals with the skills to drive process improvement and operational efficiency through the Lean Six Sigma methodology.

Participants learned key concepts such as DMAIC (Define, Measure, Analyze, Improve, Control), statistical analysis, and process mapping, enabling them to identify and eliminate inefficiencies in their work processes.

Digital Marketing Program

From 02nd Dec to 6th Dec '24, SDI has successfully conducted a 5-day Digital Marketing Training session covering 20 professionals from various organizations, enhancing their skills in the digital marketing domain.

SKILL DEVELOPMENT INSTITUTE VISAKHAPATNAM

Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

The session covered essential areas such as SEO, social media marketing, content creation, email campaigns, and data analytics. Participants gained practical tools and strategies to boost their digital presence. The program, led by industry experts, featured interactive workshops and real-world applications, ensuring immediate use of the skills learned.

Behavioral Session for HPCL Employees

As a part of the Refresher Training program, Shri Imtiyaz Arshad, CEO & Secretary of Skill Development Institute, led a behavioral session for HPCL employees. The session focused on enhancing essential soft skills, including emotional intelligence, leadership, and effective communication in the workplace.

Shri Arshad provided valuable insights into building positive workplace dynamics, resolving conflicts, and promoting collaboration within teams. The session was highly interactive, incorporating practical exercises that encouraged participants to apply the learned concepts, contributing to both their personal and professional growth.

Diwali Celebrations

On 31st Oct, '24, SDI celebrated Diwali with great enthusiasm, transforming the campus into a vibrant celebration of lights. The campus was beautifully adorned with traditional decorations, including diyas, lights, and rangoli, creating a warm and festive atmosphere.

A range of activities, including cultural performances, games, and a Diwali feast, were organized, promoting unity and camaraderie among students, faculty, and staff. The event offered an opportunity for the entire SDI community to come together, celebrate the festival of lights, and strengthen the sense of togetherness within the institute.

Celebrating India's Rich Heritage: Saree Event by Bridal Batch Students

On 26th Nov, '24, the Bridal Batch students of SDI hosted a unique Saree Event, celebrating the diverse cultural heritage of India. Students showcased sarees representing different states, each chosen for its historical and cultural significance.

**SKILL DEVELOPMENT INSTITUTE
VISAKHAPATNAM**
Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

The event offered a colorful display of traditional craftsmanship, with students not only showcasing the beauty of the sarees but also highlighting the rich history behind each piece. It provided a creative platform for students to blend design with tradition, deepening their understanding of cultural diversity through fashion.

Internal Assessments - Top Performers

On 16th Dec, 24, conducted internal assessments for students across all job roles. These assessments provided a valuable opportunity to gauge the students' skills, knowledge, and overall development.

To recognize outstanding achievements, the Top 5 students were felicitated for their exceptional performance and dedication. SDI reaffirms its commitment to fostering excellence in skill development, ensuring that students continue to achieve their full potential in their respective fields.

As we look ahead to the New Year, we are grateful for the continued support and enthusiasm of everyone who makes the Skill Development Institute a place of learning and growth.

EVENTS / ACTIVITIES

Blood Donation Camp

Skill Development Institute organized a successful Blood Donation Camp on 29th Oct, 2024, with over 25 students actively participating in this noble initiative. The event showcased strong community engagement and a commitment to social responsibility among the students.

With the support of healthcare professionals, the camp was conducted smoothly and efficiently. The Institute takes pride in the active participation and plans to continue supporting such initiatives in the future, further promoting the values of giving back to the community.

Vigilance Awareness Week

As part of the Vigilance Awareness Week celebrations, SDI organized a series of competitions on 02nd Nov '24, to foster awareness and promote integrity among students. Approximately 50 students participated in these engaging events, actively contributing to the promotion of vigilance values.

SKILL DEVELOPMENT INSTITUTE VISAKHAPATNAM

Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

The competitions served as a platform for students to showcase their knowledge, creativity, and commitment to ethical practices.

National Education Day

On 11th Nov '24, in observance of National Education Day, Shri Imtiyaz Arshad, CEO & Secretary of Skill Development Institute, was invited by Andhra University to address their students.

In his speech, Shri Arshad highlighted the transformative power of education in shaping the future and emphasized the critical role of skill development in today's rapidly evolving job market. His inspiring words encouraged students to embrace lifelong learning and pursue skill enhancement as a key to success.

This event reflects our commitment to supporting educational initiatives and fostering skill development among the younger generation, empowering them to thrive in the modern workforce.

Enhancing Skills through Tally Training

SDI has successfully initiated Tally training sessions for its officers, starting on 20th Nov, 2024. The program is aimed at improving the financial management and operational efficiency within the organization.

Participants are being trained on key features of the Tally software, including ledger management, inventory control, and GST compliance. This hands-on training ensures that officers gain practical knowledge, empowering them to handle financial tasks with accuracy and confidence in their daily operations. The initiative underscores our commitment to continuous skill development and operational excellence.

ISO Internal Audit

SDI conducted ISO Internal Audit initiated on 18th Dec and concluded on 19th Dec 2024, to assess its compliance with global quality standards. The audit focused on evaluating the institute's processes and services to ensure they meet the rigorous benchmarks set by ISO standards.

SKILL DEVELOPMENT INSTITUTE VISAKHAPATNAM

Accredited by NSDC with 5 Star Rating
ISO 21001:2018 Certified

Skill Development Institute reaffirms its dedication to providing high-quality training and services, ensuring that its trainees receive the best educational experience possible.

World Meditation Day

On 21st Dec, 2024, SDI celebrated World Meditation Day by organizing a special meditation session for its students, in collaboration with the Art of Living Institute. Approximately 140 students participated in the event, which focused on enhancing mental clarity, reducing stress, and promoting overall well-being.

The session was led by experienced instructors from Art of Living, who introduced students to meditation techniques designed to foster inner peace and focus—essential tools for both personal and academic growth. This initiative highlights the Institute's dedication to the holistic development and mental well-being of its students.

Conclusion

SDI appreciate the progress and achievements of its students and personnel in the last quarter. The dedication and hard work shown by everyone continue to drive SDI's mission of empowering individuals with valuable skills for a successful future and excited about the upcoming opportunities and initiatives in the next quarter and look forward to further growth and collaboration.
