ASSESSMENTS

Assessments were conducted for the students of the Skill Development Institute to evaluate their progress and proficiency in various training programs by Sector Skill Councils. This comprehensive evaluation included practical exams, theoretical tests, and hands-on demonstrations to ensure a well-rounded assessment of skills. The results will not only help in identifying areas for improvement but also guide future training initiatives tailored to meet the needs of our students. We are committed to providing continuous support and resources to empower our students on their journey to success.
